

Qualified Health Professional Membership Agreement

This Qualified Health Professional Membership Agreement (“Agreement”) is between you and NurseContact Inc. (“NurseContact”) as described below in Section 1 (Parties). This Agreement is part of and incorporates by reference the User Agreement and the other Terms of Service. You will be provided advance notice of any material change to this Agreement and your continued participation in a membership program after the last modified date will signify your acceptance of this Agreement. Capitalized terms not defined in this Agreement are defined in the Site Terms of Use, User Agreement, or elsewhere in the Terms of Service.

1. PARTIES

You are entering into this Agreement with NurseContact (also referred to as “we” and “us”).

2. QUALIFIED HEALTH PROFESSIONAL MEMBERSHIP PROGRAMS

NurseContact offers several membership programs for Qualified Health Professionals and Agencies. For purposes of this Agreement, “Member” or “you” means a Qualified Health Professional or Agency participating in a membership program.

Each membership program includes a certain number of “Connects,” which reserve monthly capacity for you to submit proposals for Clients' posted Projects, as described on the Site here. If your membership program does not include Connects or your membership otherwise gives to the right to purchase additional Connects, you may do so for the price advertised on the Site at the time of the purchase, subject to a cap determined by your membership program, if applicable. Connects that you do not use will be rolled over to the next month as described on the Site. The conditions under which unused Connects will rollover into the next month may vary from time to time and will depend on your membership program.

NurseContact reserves the right to change membership fees, change the monthly number of Connects included in each membership program, change the price for Connects or institute new fees at any time, in each case upon reasonable notice posted in advance on the Site. No refunds of fees already paid will be given. If NurseContact exercises its right to cancel a membership, we will not refund the membership fee already paid.

3. TAXES

Where applicable, NurseContact may also collect Taxes (such as value added tax (VAT) in Europe) on membership fees and the cost for Connects.

4. AUTOMATIC MEMBERSHIP RENEWAL

You must pay your NurseContact membership fees and Connects through your NurseContact Account. The membership billing period begins on the date that we receive payment. NurseContact membership fees are calculated from the beginning of that billing period. NurseContact automatically renews your NurseContact monthly membership, and you

irrevocably authorize and instruct us to make the required monthly payments to NurseContact on your behalf. This authorization will remain in full force and effect until you change your settings in your Profile to change your membership plan, otherwise notify us that you wish to revoke your authorization by contacting Customer Support, or cancel your Account.

5. CHANGES TO MEMBERSHIP PROGRAM

You can change your membership program at any time, including by moving to an unpaid plan, by going to the Site [here](#). If you change your membership program, the new program and new billing period will be based upon the date NurseContact receives payment of the new membership fee. If you upgrade a membership, it will result in a new billing date effective upon the date of payment of the additional fees and, if applicable, will result in a credit of the unused portion of the existing category membership fees. If you downgrade a membership, you will not receive a refund or credit for the fees already paid; instead your membership will continue to the end of your current billing period but will not renew. If your Account is suspended at the beginning of your billing period or you do not pay your membership fees, your Account will be automatically downgraded to an unpaid membership plan. If your Account is reinstated, you may change your membership plan as described in this Agreement. NurseContact reserves the right to modify its membership programs at any time, upon reasonable notice posted in advance on the Site.

For more information on upgrading, downgrading, or canceling your membership, check the Site or contact Customer Support.
